CONDITIONS OF SALE.

This is a **bona-fide** public sale, for **prompt cash settlement**, and irresponsible persons who are not sure whether they can pay for what they bid on, **are asked not to bid.** The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the **sole right** to decide upon any claims. **These are the only conditions** under which bids will be received.

Coins and medals are sold at **so much per PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c. up to $2.50, when 10c. advance must be bid, up to $10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in a lot and you wish to pay $5.00 for the entire lot, then bid $1.00.

Auction sales are **strictly for cash.** Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

We will send a printed list of the prices realized for this sale, for $1.25, **cash to be sent in advance.**

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

THE END

Send me Your Bids for All Eastern Sales.

Mr. Elder personally attends every sale of Rare Coins held in the East, and will faithfully take care of any commissions which are sent to him, serving the best interests of his clients at all times, examining all valuable pieces, to see if they are correctly described, as per catalogue. As a number of more or less important sales are approaching, a special request is made that you save both time and money by sending him your bids. Only recently a collector who sent him bids equalling $100 was saved fully 50%. He can refer to a sale of some years ago when a prominent collector was saved fully $2,000 of his bids. He can do just as well for you to-day, so bear in mind the fact that he misses no eastern coin sales. You may always, without advance notice, send him your bids. In view of the great saving frequently made to collectors, the following terms are very reasonable:

For purchases up to $35, the charge will be 10%.
For purchases amounting to more than $35, 7%.

Jewelry Mounting Done.

Mr. Elder will undertake to furnish estimates for mounting any of the gem stones purchased in these sales, and the prices will be very moderate. When he can save you in the prices of stones anywhere from 50 to 2,000% from retail prices, and from 25 to 200% for mounting them, why not give the auction method of buying a trial?

Every stone guaranteed as represented by the catalogue. Christmas is coming, and gifts are now in order. Write for estimates, etc. Estimates as to the approximate value of any lot cheerfully furnished on request.
